Circular to All Undertakers

Dear Sir / Madam,

Please find below an important notice:

The provisional Atmospheric Emission License has been granted by the Health Unit – Community and Emergency Services Cluster Ethekwini Municipality, to the Clare Estate Umgeni Hindu Crematorium Society in terms of section 40(1) (a) of the National Environmental Management: Air Quality Act, 2004 (Act No.39 of 2004), in respect of Listed Activity 8, Sub-Category 8.2.

The Act clearly states that:

Page 14, Par 10.7

“The materials which may result to elevated stack emissions e.g. Plastic, Polyester liners And/or plastic handles must be removed from the coffin prior to incineration.”

Page 14, Par 10.8

“No incineration of polished/ varnished coffins and other foreign material shall take Place.”

Please also ensure that the inner coffin does not contain any polyester lining or plastic, and that the bereaved families and coffin manufacturers/ suppliers are made aware of the said rules.

Your compliance with the above conditions will be highly appreciated.

Mr T Kassie
