REMINDER - CIRCULAR NO. 13-02/25

Circular letter to All Undertakers/ Décor/ Live Streaming and Service Providers

Dear Sir/ Madam

It has been observed that some Undertakers have not informed bereaved family members and décor companies that “hot cooked meals such as biryani, dhal, salad and soji” are NOT allowed on the premises, including the car park and road: Premises means entering the area once you pass the 2 pillars just after the golf course. Only light snacks are allowed: Light savories, sandwiches, cold drinks, tea, all vegetarian.

In some cases, Undertakers are aware of families bringing “hot cooked meals” but do nothing about it. In your service contract with bereaved families the “Do’s and Don’t’s” should be emphasized to all families, décor and live streaming service providers as to the use of the crematorium premises.

The Accreditation for the Décor & Live Streaming will be put on an accredited process.

Although the Accreditation for Décor & Live Streaming have been advertised, only 3 décor Service Providers can be engaged presently Top Class Events, Maharajas Caterers and TDC Events.

Your co-operation is essential to make the crematorium a dignified area.
